

Te Whatu Ora Health New Zealand Te Matau a Māui Hawke's Bay	POSITION TITLE Registered Nurse		
	DIRECTORATE Medical	DEPARTMENT Gastroenterology Service	
	REPORTING TO (operationally) Clinical Nurse Manager	REPORTING TO (professionally) Clinical Nurse Manager	
DIRECTORATE RESPONSIBILITIES & DIRECT REPORTS	This role covers the Gastroenterology Service in Te Whatu Ora - Health New Zealand, Te Matau a Māui, Hawke's Bay. Staff reporting - 0 Direct - 0 In direct		
PURPOSE OF THE POSITION	Registered nurses utilise nursing knowledge and complex nursing judgment to assess health needs and provide care, and to advise and support people to manage their health. They practise independently and in collaboration with other health professionals, perform general nursing functions, and delegate to and direct enrolled nurses, health care assistants and others. They provide comprehensive assessments to develop, implement, and evaluate an integrated plan of health care, and provide interventions that require substantial scientific and professional knowledge, skills and clinical decision making. Registered nurses are accountable for ensuring all health services they provide are consistent with their education and assessed competence, meet legislative requirements and are supported by appropriate standards. The Gastroenterology Service has developed an integrated approach to patient assessment and treatment across Endoscopy and Medical Gastroenterology. The nursing resource is required to work within an integration model		
KEY DELIVERABLES	The Registered Nurse will practice in accordance with the Nursing Council of New Zealand Code of Conduct and competencies for a Registered Nurse. The Registered Nurse will utilise their nursing knowledge to: <ul style="list-style-type: none"> • Demonstrate knowledge & judgement & is accountable for own actions and decisions, while promoting an environment that maximises health consumer safety, independence, quality of life and health. • Undertake nursing assessments, care planning & evaluation of the health consumer's care, which is responsive to their needs, and which is supported by nursing knowledge, patient safety tools and evidence based practice. • Demonstrate effective & therapeutic communication with health consumers & all team members which is clearly documented. • Evaluates the effectiveness of care & promotes a nursing perspective within the activities of the team. • Provide evidence based health education and advice to patients and whanau to enable them to make health choices suitable to their needs and be self-managing. • Ensures documentation is accurate and maintains privacy, including use of assessment and acuity tools e.g. TrendCare. • Demonstrates responsibility for supporting the learning of others e.g. new staff, graduates, nursing students, within the clinical area. • You may be assigned additional portfolios within this role and these will be mutually agreed between yourself and your manager. • Engages in professional development and ongoing maintenance of continuing competence with a professional development recognition programme (PDRP) portfolio, evidenced within 12 months of commencing within the role.
