

Health New Zealand Te Whatu Ora	POSITION TITLE	Clinical Psychologist		
	DIRECTORATE	Community & Specialist Services Group	DEPARTMENT	Child Development Service/ Te Kunenga Mai rongokaka
	REPORTING TO (operationally)	Clinical Leader Child Development Service	REPORTING TO (professionally)	Psychology Professional Lead
DIRECTORATE RESPONSIBILITIES & DIRECT REPORTS	This role covers the Developmental Assessment Programme (DAP Team) in Health New Zealand - Te Whatu Ora Te Matau a Māui Hawke's Bay Staff reporting - Nil Direct - Nil Indirect			
PURPOSE OF THE POSITION	<ul style="list-style-type: none"> To provide diagnostic assessment of tamariki/rangatahi aged 2 to 16 years, with a wide range of neurodevelopmental and behavioural needs, within an integrated collaborative service. This is primarily within a multidisciplinary format – the Developmental Assessment Programme (DAP). To provide psychology advice / consultation, as needed by other CDS clinicians. To ensure and prioritise a focus on client safety and quality relating to care and processes within the Child Development Service. Delivery of organisational KPIs including relevant MOH target, financial budgets and service plans. To recognise and support the delivery of the Hawke's Bay health sector vision. 			
KEY DELIVERABLES	<p>Clinical Practice- Te Mahi Haumanu</p> <ul style="list-style-type: none"> Manages and is accountable for providing safe, effective and appropriate neurodevelopmental assessment using knowledge and skills gained from professional education and practical experience to meet best practice and professional standards. Actively contributes within the multidisciplinary team, proactively identifying the tamariki / rangatahi and whānau concerns, needs and expectations. Strong client focus – adapts approach to meet needs, looks to create the best outcome for all, anticipates and understands needs responding appropriately, demonstrates respect, empathy and interest in the client. Communicates and engages in culturally appropriate and inclusive ways. Maintains clear, concise, timely accurate and current documentation within a legal and ethical framework. Utilises clinical knowledge and skills through reflective practice and professional judgement to provide competent care and advice. Utilises assessment skills and interventions to assess client responses and adapts approaches to accommodate to the individual's needs. Interprets assessment findings, integrates with data from differing sources to develop a psychological formulation. Clearly documents in accordance with Health NZ – Hawke's Bay guidelines. Actively participates in MDT formulation, report writing and meetings within agreed timeframes. Provides appropriate guidance, support and liaison with other staff and agencies as required. Demonstrates evidence of expert knowledge and experience in tamariki's behavioural, developmental and health issues. Takes action in situations that compromise the clients safety and wellbeing. Utilises the principles of family centred care and relationship centred practice. Students are supervised as required. Recognises and manages risks to provide care that best meets the needs and interests of clients. Works within ethical guidelines and legislation (ie, Code of Health and Disabilities Services Consumers' Rights, Code of Ethics). Adheres to professional, service and organisational policies, procedures and practice guidelines. Participates in and demonstrates competence in health education, ensuring the tamariki / rangatahi / whānau understands relevant information related to their care. Health literacy is recognised and actively managed. Applies the Treaty of Waitangi to practice, assisting tamariki / rangatahi / whānau to gain appropriate recognition and support of their cultural needs and preferences. Integrates the Child Development Service cultural competency plan within the role, actively utilising the self-assessment tool. <p>Teaching and Learning – Ako Atū, Ako Mai</p> <p>Demonstrates individual responsibility for professional development, including:</p> <ul style="list-style-type: none"> Considers the role and competence of staff when delegating work.
