

Health New Zealand Te Whatu Ora	POSITION TITLE	Registered Social Worker (Takawāenga)		
	Group	Mental Health and Addictions Directorate.	DEPARTMENT	Community Mental Health & Addictions – North Team
	REPORTING TO (operationally)	Clinical Manager North	REPORTING TO (professionally)	Social Work Professional Lead
DIRECTORATE RESPONSIBILITIES & DIRECT REPORTS	This role covers the Mental Health and Addictions directorate in Health New Zealand Te Whatu Ora Te Matau a Māui Hawke's Bay based in Wairoa Nil direct reports			
PURPOSE OF THE POSITION	<ul style="list-style-type: none"> • A registered social worker (RSW) provides safe and clinically effective assessment, intervention and advice, to patients / clients / tangata whaiora, within a specific clinical area • To ensure and prioritise a focus on patient safety and quality relating to care and processes within Mental Health and Addictions services • Delivery of organisational KPI's (key performance indicators) including relevant MOH target, financial budgets and service plans. • To recognise, support and contribute to the delivery of the Hawkes Bay Health sector vision, values and behaviours. • The registered social worker will develop knowledge of community resources and systems and establish relationships and networks with community providers. The role requires an awareness of local and national policy and services for adults with moderate to severe mental health and addictions • The position will contribute to the provision of an after-hours oncall service providing a responsive 24/7 rural service for persons requiring assessment under the Mental Health (Compulsory Assessment and Treatment) Act 1992. • Performing Duly Authorised Officer (DAO) responsibilities is expected. 			
KEY DELIVERABLES	<p>Clinical Practice- Te Mahi Haumanu</p> <ul style="list-style-type: none"> • Takes professional and organisational responsibility for managing a caseload of patients/clients/tangata whaiora with increasing complexity and be able to independently adapt and make decisions regarding social work intervention. • Utilises information available to prioritise patients/clients/tangata whaiora accepted into the service. • Carries out comprehensive assessment with patients/clients/tangata whaiora and their whānau. This may include standardised and non-standardised assessments and clinical observations to assist in assessment and intervention planning. • Formulates and delivers individualised RSW intervention using comprehensive clinical reasoning skills and in depth knowledge of treatment approaches. This is in partnership with the patients/clients/tangata whaiora, their whānau and the clinical advice of the wider inter professional team (IPP) or multidisciplinary team (MDT). • Demonstrates effective communication and utilises relationship centred practice to establish a therapeutic relationship and develop agreed goals with the patients/clients/tangata whaiora, their whanau, including the wider health team and external agencies. This includes relaying complex, sensitive and contentious information. • Assesses the patient's understanding of assessment, interventions and goals and gain informed consent for intervention, taking into account those who lack capacity (e.g. those with cognitive difficulties). • Regularly reassesses and evaluates the patients/clients/tangata whaiora progress (as appropriate) against identified goals and adjust intervention as situations change. • Refers on to other services to work with the patients/clients/tangata whaiora towards achievement of longer term goals • Develops comprehensive discharge/transfer plans with the patients/clients/tangata whaiora and their whānau. • Carries out regular clinical risk assessments with patients/clients/tangata whaiora on own caseload and takes action to effectively manage identified risks, seeking support where appropriate. This will include assessing, advising and supporting colleagues to address harm to self and/or others, elder abuse and neglect, family violence, child abuse, neglect and vulnerable adults. • Demonstrates a good foundation knowledge, acts as a resource and provides advice and support to colleagues with applications of statutory requirements related to Protection of Personal and Property Rights Act (PPPR) / Enduring Powers of Attorney (EPA), Mental Health(Compulsory Assessment and Treatment) Act 1992(MH Act), family violence intervention and child protection. • Demonstrates a good foundation knowledge of and provides advice, coaching and support to patients 			

/ clients/tangata whaiora and their whanau regarding statutory requirements related to Protection of Personal and Property Rights Act (PPPR) / Enduring Powers of Attorney (EPA), Mental Health(Compulsory Assessment and Treatment) Act 1992(MH Act), family violence intervention and child protection as required.

- Provides advice, teaching and coaching to patients/clients/tangata whaiora, their whānau and other professionals to promote consistency of support being offered.
- Demonstrates an awareness of health inequities, with evidence of implementing actions within own clinical practice towards reducing these for the patients/clients/tangata whaiora, and their whānau.
- Demonstrates provision of culturally safe practice and a confident approach to partnership, protection and participation with patients/clients/tangata whaiora and their whānau.
- Represents the service and/or individual patients/clients/tangata whaiora at clinical meetings and case conferences to ensure the delivery of an integrated approach to intervention and to ensure social work is integrated into the overall intervention (where appropriate) including discharge planning.
- Completes documentation consistent with legal, professional and organisational requirements.
- Adheres to applicable recognised evidence based research and best practice for registered social workers and any relevant clinical policies and practice guidelines.
- Demonstrates awareness of local, sub-regional and regional context in relation to provision of health and social support and the impact on service provision.
- Identifies unmet needs of patients/clients/tangata whaiora and their whānau and identifies potential solutions to address these needs.
- Demonstrates an understanding of the roles and contributions of the interprofessional team (IPP) and multidisciplinary team (MDT).
- Works in other areas as identified or following a reasonable request in order to support the organisation in managing safe patients/clients/tangata whaiora care and maintaining service delivery.
